OrCAD Capture Tutorial An interactive, self-paced tutorial that can be used to quickly get started with OrCAD® Capture. You can practice what you have learned. On the site you can find more information on using OrCAD Capture and download demo programs. A training course organized by OrCAD will help you learn how to use OrCAD on your own. With OrCAD Capture, you can study not only design systems, but also software supplied by other companies. If you do not work in OrCAD, then the advice of those who have already mastered this software will help you. Orcad training courses can be found on the Internet.
