Eminem has been in the news more than usual lately for his controversial statements regarding politics and culture. And now, he's been put on blast by DJ Smallz for his content in his latest song "Ass Like That". After the full release of "Ass Like That" last week, the Detroit rapper released a music video for the song. The song was released to iTunes for streaming and the music video for the song has been in the making for a long time. Eminem's fans and critics can agree that he is a controversial rapper, but his songs are most definitely entertaining. This is no exception. His rhyme schemes and delivery is timeless and his relevancy has been shown
