to get going on a post. Today I can say that this is one of those days. I have been totally energized. (Yes, a little bit of sarcasm
here.) I have been busy. Not the kind of busy I'm looking for. Why is it that as soon as the Fall comes around we have to start
worrying about the Winter? Perhaps it's just the weather. I mean, I am a Winter person. I live in the South. I love the feeling of
that crisp air on my face. I love the way things start to look barren when the temperature drops. But the Fall is a good time to
reflect. I know the Winter will come and go. So why not spend a little time thinking about Spring? Which means I need to figure

McCain's play was called back when officials reviewed the game, and it was determined he received a flag after hitting Jaguars wide receiver Dede Westbrook on a third-quarter pass. McCain was ejected on a second occasion last week against Buffalo. He was ejected with 2:10 remaining in the first half for throwing a punch at Buffalo quarterback Tyrod Taylor. McCain was also ejected in Week 2 for pushing Seattle quarterback Russell Wilson. McCain was flagged for targeting in Week 4 against the New York Jets on an incompletion, and was ejected from that game for throwing punches. McCain made his first Pro Bowl last season 4bc0debe42
